2014

Pathology Review:

Pulmonary, Gastrointestinal, Soft
Tissue and Dermatopathology for
the General Pathologist

15.0 *AMA PRA Category 1 Credit(s)*TM

Release Date: May 1, 2014

About This CME Teaching Activity

This CME teaching activity is designed to provide a practical review of pulmonary, gastrointestinal, soft tissue, dermatopathology and medicolegal issues in anatomic pathology. Faculty discuss basic to advanced techniques, pitfalls and pearls to pathology diagnosis. Rounding out the program are interactive case reviews of pathology emphasizing the material presented.

Target Audience

This CME activity is primarily intended and designed to educate pathologists.

Scientific Sponsor

Educational Symposia

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 15.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: No Category A CE credit is available for this series.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

AMA PRA Category 1 Credit(s)[™] for this activity may be claimed until April 30, 2017.

This CME activity was planned and produced by Educational Symposia, the leader in continuing medical education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

Educational Objectives

At the completion of this CME teaching activity, you should be able to:

- More accurately diagnose pathologic disorders in pulmonary and gastrointestinal pathology.
- Demonstrate increased awareness of pulmonary, gastrointestinal, soft tissue and dermatopathology.
- Recognize, assess and diagnose lung and pleura borderline tumors and cancer more easily.
- Utilize immunohistochemistry in urological pathology and mesothelioma.
- Differentiate neoplastic and non-neoplastic small intestinal pathology.
- More accurately recognize and evaluate granulomatous lesions of the skin.
- Have a better understanding of prognostic and predictive factors in anatomic pathology.
- Differentiate the morphologic patterns in soft tissue and lipomatous tumors.
- More accurately recognize, evaluate gastrointestinal mesenchymal lesions.
- Have a deeper understanding of medicolegal issues in anatomic pathology.
- Recognize mimickers and variants of dermatopathology.

No special educational preparation is required for this CME activity.

Faculty

John R. Goldblum, M.D.

Pathology, Cleveland Clinic
Professor of Pathology, Cleveland Clinic
Lerner College of Medicine
Cleveland, OH*

Philip E. LeBoit, M.D.

*Professor of Pathology and Dermatology
Division Chief, Dermatopathology
Co-Director, UCSF Dermatopathology
Service
University of California, San Francisco*

Mark R. Wick, M.D.

*Professor of Pathology
University of Virginia Medical Center
Charlottesville, VA*

If you receive more than one brochure,
please pass the extra along to a colleague.

Program

Session 1

Melanoma, From Clinical Presentation to Molecular Diagnosis

Philip E. LeBoit, M.D.

Patch Stage Mycosis Fungoides: A Different Diagnosis

Philip E. LeBoit, M.D.

Session 2

An Approach to Inflammatory Skin Disease

Philip E. LeBoit, M.D.

Benign-borderline Lung Tumors

Mark R. Wick, M.D.

Session 3

Early Lung Carcinoma and Metastasis

Mark R. Wick, M.D.

Mesothelioma IHC2

Mark R. Wick, M.D.

Granulomas Skin

Mark R. Wick, M.D.

Session 4

Well Differentiated Lipomatous Tumors: Current Concepts and Diagnostic Issues

John R. Goldblum, M.D.

Common Morphologic Patterns in Soft Tissue Tumors - Part 1

John R. Goldblum, M.D.

Session 5

Common Morphologic Patterns in Soft Tissue Tumors - Part 2

John R. Goldblum, M.D.

Interactive Soft Tissue Case Presentations - Question and Answer

John R. Goldblum, M.D.

Session 6

Barrett's Esophagus and BE-Related Dysplasia

John R. Goldblum, M.D.

IBD and IBD-Related Dysplasia

John R. Goldblum, M.D.

Session 7

A Practical Approach to Mesenchymal Tumors of the GI Tract

John R. Goldblum, M.D.

Interactive GI Case Presentations - Question and Answer

John R. Goldblum, M.D.

Common Problems with Melanocytic Neoplasms

Philip E. LeBoit, M.D.

Session 8

Spitz Nevus, Atypical Spitz Tumor, Spitzoid Melanoma

Philip E. LeBoit, M.D.

Common Problems in Cutaneous Lymphoma

Philip E. LeBoit, M.D.

Session 9

Interface Dermatitis: From Trivial to Deadly

Philip E. LeBoit, M.D.

DVD CME Packs

Educational Symposia is constantly exploring ways to better serve our customers. Subscribers of our DVD CME teaching programs asked for a simpler way to share a DVD Teaching Program. We listened and are pleased to offer the **DVD CME Pack**. Here's how it works. Once the initial order for an entire set is placed, order as many **DVD CME Packs** as needed at a significantly reduced price. It really is that simple!

Educational Symposia's innovative **DVD CME Packs** allow each participating physician to own his/her set of DVDs. A personal set provides the opportunity to view at one's own convenience and adds to a personal reference library. **DVD CME Packs** are priced to make it a practical alternative to "waiting in line" to receive the next DVD.

Each **DVD CME Pack** contains:

- An entire set of DVDs in a convenient case designed for durability and ease of access
- One CME application and test
- A one or two volume syllabus (depending on the series). Syllabus is included in the purchase price but is not enclosed in the DVD CME case.

See order form to order a **DVD CME Pack** for this series. To order a **DVD CME Pack** for a previously purchased DVD teaching program, visit us online at www.edusymp.com, or call toll free at (800) 338-5901.

Multiple CME Subscribers.....

Educational Symposia DVD Teaching Programs are accredited for *AMA PRA Category 1 Credit(s)TM* for three years from the original release date. Once the initial order for an entire set is placed, the number of CME applications and/or **DVD CME Packs** that can be ordered is limitless. Simply call (800) 338-5901 or access our website at www.edusymp.com and reference the name of the person or facility of the originating order. See order form for pricing.

DVD Cancellation Policy

If you are not satisfied with your purchase, you may return your purchase within 15 days of receiving it. You will receive a refund, less a \$125.00 processing fee. If you are returning/cancelling multiple DVD series, please note the \$125.00 processing fee applies to each series. If your purchase was sent express, the additional shipping charges will NOT be refunded. No refunds can be made after 15 days. All cancellations must be in writing. CME credit cannot be granted on returned purchases. Abuse of this cancellation policy (2 or more returns) renders the cancellation policy void. There are no refunds for DVD CME Packs.

On-Demand Cancellation Policy

Digital products are non-returnable and non-refundable. We regret, therefore, that once the product has been purchased by you, your order may not be cancelled or refunded. If, however, you experience difficulty accessing or viewing your purchased product, help is available - please see your purchase invoice/receipt for our support contact details.

Reduce your mail clutter or just add email announcements. Please visit the "Mailing List" section of our website at www.edusymp.com.
