32nd Annual

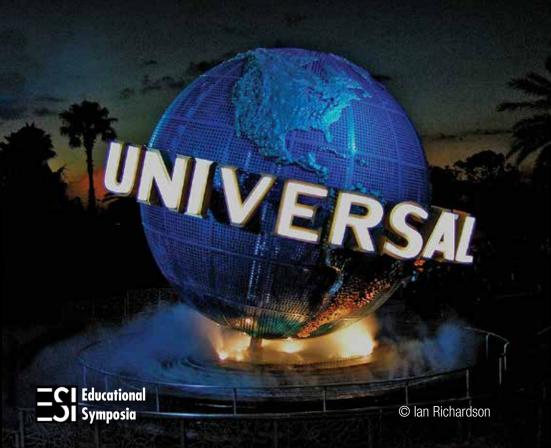

Orthopedic MRI 2015:

National Symposium

May 5 - 7, 2015

Loews Royal Pacific Resort at Universal Orlando® Orlando, Florida

11.25 AMA PRA Category 1 Credit(s)™

ABOUT THE MEETING

The Orthopedic session of the 32nd Annual Magnetic Resonance Symposium begins with registration from 12:30 – 1:30 PM on Tuesday, May 5, 2015. Formal lectures will occupy each day. Question and answer sessions complement the teaching program and provide for interaction between registrants and the faculty.

This symposium provides a practical, comprehensive review of the important aspects of clinical Orthopedic MRI. Physicians and technologists practicing Orthopedic MRI should gain knowledge on the expanding role of MRI in addition to safe and efficient scanning protocols.

TARGET AUDIENCE

This CME activity is designed to educate those physicians who supervise and interpret Orthopedic MRI studies. It should be particularly helpful for radiologists and orthopedic surgeons. In addition, this CME activity should also be useful for referring physicians who order these studies so that they might gain a greater appreciation of the strengths and limitations of clinically relevant Orthopedic MRI studies.

SCIENTIFIC SPONSOR

Educational Symposia

ACCREDITATION

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call 1-800-338-5901 regarding the availability of Category A CE credit.

EDUCATIONAL OBJECTIVES

Attendees should, at the completion of this course, be able to:

- Utilize MRI to evaluate patients with orthopedic pathology.
- Effectively assess the axial skeleton using modern MRI techniques.
- Incorporate state of the art imaging protocols to evaluate the orthopedic system.

No special educational preparation is required for this CME activity.

COURSE ORGANIZATION

This program is planned and organized by Educational Symposia, the leader in diagnostic imaging education since 1975.

ACKNOWLEDGEMENT

Educational Symposia appreciates our corporate supporters and exhibitors. A list of industry supporters will be provided and acknowledged at the meeting.

CANCELLATIONS

Cancellations must be received in writing. A \$50 processing fee will be applied to all cancellations. Refunds requested in writing prior to April 3, 2015. will be issued for the amount of tuition paid less the \$50 processing fee. No refunds will be made on or after that date.

REGISTRATION INFORMATION

Tuition for live conference includes all course materials, including a comprehensive course syllabus (printed black and white syllabus or color e-syllabus) and continental breakfast. Early registration is strongly suggested. There will be a \$50 surcharge for anyone registering after April 22, 2015. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

Tuition for live webcast includes participation for one registrant. Each registrant must sign-in on a separate computer to receive credit. Prior to the meeting we will send you further information about the log in process. We will also send you a comprehensive color electronic course syllabus via email. If you have any questions or problems logging into the meeting we will have support personnel available at (800) 338-5901. There will be a \$50 surcharge for anyone registering after April 22, 2015.

Please note: A minimum number of registrants is required to live webcast this course. If the minimum number is not met by April 3, 2015 the live webcast activity may be cancelled and a full refund issued.

LIVE WEBCAST REQUIREMENTS

Visit the Help Center at www.edusymp.com/site/help to review the computer and internet requirements for viewing live webcast meetings.
