# 2016

# **Patient Safety in Obstetrics:**

Reducing Risk & Improving Outcomes

11.0 AMA PRA Category 1 Credit(s)™ • Release Date: February 1, 2016

## **OB-GYN Ultrasound**

# **About This CME Teaching Activity**

This CME teaching activity is structured as a comprehensive, practical, teaching course for those who perform and interpret ob-gyn ultrasound studies. Topics covered include basic, practical studies, clinically relevant advances, and tips, techniques and pitfalls of obstetrical and gynecological applications. Faculty have been selected for their teaching ability, as well as for their expertise.

## **Target Audience**

This CME teaching activity should be particularly valuable for diagnostic imaging physicians, ob-gyn physicians, and referring physicians who utilize ultrasound to evaluate the clinical status of their patients.

# **Scientific Sponsor**

Educational Symposia

#### Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 10.0 AMA PRA Category 1  $Credit(s)^{TM}$ . Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**SA-CME:** Credits awarded for this enduring activity are designated "SA-CME" by the American Board of Radiology (ABR) and qualify toward fulfilling requirements for Maintenance of Certification (MOC) Part II: Lifelong Learning and Self-assessment.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

#### AMA PRA Category 1 Credit(s)™ for this activity may be claimed until May 14, 2018.

This CME activity was planned and produced by Educational Symposia, a leader in continuing medical education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

# **Educational Objectives**

At the completion of this CME teaching activity, you should be able to:

- Effectively assess patients with a variety of gynecologic disorders using ultrasound.
- Implement into their practices expanded uses of ultrasound to assess patients for the presence and extent of fetal anomalies.
- Recognize and differentiate the sonographic appearance and characteristics of normal and abnormal gynecologic anomalies.
- Evaluate the status of ectopic and intra-uterine pregnancies more effectively with ultrasound.

*No special educational preparation is required for this CME activity.* 

# 2016 Patient Safety in Obstetrics

# **About This CME Teaching Activity**

This CME teaching activity is a practical, clinically oriented discussion of risk reduction in obstetrics and efforts to improve patient safety. A series of lectures will address the origin of errors, an evidence-based approach for management of emergencies on labor and delivery, quality assurance programs, using a systematic approach for prevention of errors, and other pertinent topics affecting clinical practices. Tips, protocols, pitfalls and case presentations provide balance to the program. Necessary tools are provided to help establish a patient safety program such as management protocols, checklists and near-miss/data collection processes. The faculty have been selected for their teaching ability, as well as for their national expertise in this field.

## **Target Audience**

This activity should benefit physicians and nurses involved in caring for pregnant women. It should also be valuable for those involved in women's health such as nurse managers, perinatal nurse specialists, quality assurance personnel and hospital administrators.

## **Scientific Sponsor**

Educational Symposia

#### Accreditation

**Physicians:** Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this enduring material for a maximum of 11.0 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All activity participants are required to pass a written or online test with a minimum score of 70% in order to be awarded credit. (Exam materials, if ordered, will be sent with your order.) All course participants will also have the opportunity to critically evaluate the program as it relates to practice relevance and educational objectives.

**Nurses:** For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*<sup>TM</sup> issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*<sup>TM</sup> (report up to 11.0 hours of credit and list "CME Category 1" as the provider number).

#### AMA PRA Category 1 Credit(s)™ for this activity may be claimed until January 31, 2019.

This CME activity was planned and produced by Educational Symposia, the leader in diagnostic imaging education since 1975.

This activity was planned and produced in accordance with the ACCME Essential Areas and Elements.

# **Educational Objectives**

At the completion of this CME teaching activity, you should be able to:

- Implement patient safety initiatives in obstetrics.
- Utilize a system approach to reduce medical errors and improve patient safety.
- Establish simulation on labor and delivery to reduce errors.
- Discuss the management of emergencies on labor and delivery.
- Identify various liability issues in an obstetrics practice and methods to minimize risk.
- Describe the quality indicators for patients in labor and delivery.
- Discuss the diagnosis and management of a variety of pregnancy and labor and delivery issues.

# OB-GYN Ultrasound Faculty

## Beverly G. Coleman, M.D., FACR

Professor of Radiology Associate Chairman of Radiology Chief, Ultrasound Imaging Hospital of the University of Pennsylvania Philadelphia, PA

#### Thomas Rob Goodman, MB BChir

Professor of Diagnostic Radiology Chief, Pediatric Radiology Yale University School of Medicine New Haven, CT

## Ulrike M. Hamper, M.D., MBA, FACR

Professor of Radiology, Urology and Pathology Director, Division of Ultrasound Russell H. Morgan Department of Radiology and Radiological Science The Johns Hopkins University, School of Medicine Baltimore, MD

#### Regina J. Hooley, M.D.

Assistant Professor of Diagnostic Radiology Yale School of Medicine New Haven, CT

### Harriet Paltiel, M.D.

Radiologist Boston Children's Hospital Associate Professor of Radiology Harvard Medical School Boston, MA

#### Leslie M. Scoutt, M.D.

Professor of Diagnostic Radiology and Vascular Surgery Assistant Program Director, Diagnostic Radiology Chief, US Section Medical Director, Non-Invasive Vascular Lab Yale-New Haven Hospital New Haven, CT

#### Thomas C. Winter, III, M.D.

Professor of Radiology and OB-Gyn Director of Body Imaging University of Utah School of Medicine Salt Lake City, UT

# **OB-GYN Ultrasound Program**

#### Session 1

Abdominal Cysts: Postnatal Findings in Prenatal Cases *Thomas Rob Goodman, MB Bchir* 

# Obstetric Ultrasound Do's and Don'ts

Thomas C. Winter, III, M.D.

Ultrasound Evaluation of Pelvic Masses *Regina J. Hooley, M.D.* 

#### Session 2

Fetal MSK: Watch the Hands and Feet Beverly G. Coleman, M.D., FACR

Neonatal Brain: Hemorrhage and Ischemia Harriet Paltiel, M.D.

Fetal Cavum Septi Pellucidi: Why You Should Care Thomas C. Winter. III, M.D.

#### **Session 3**

Fetal CNS: Posterior Fossa Anomalies Beverly G. Coleman, M.D., FACR

First Trimester Ultrasound Update: The New Guidelines

Leslie M. Scoutt, M.D.

Fetal Thorax: Other Than BIG 3 Beverly G. Coleman, M.D., FACR

Neonatal Renal Masses

Harriet Paltiel, M.D.

#### Session 4

Ultrasound Evaluation of Ectopic Pregnancy Leslie M. Scoutt, M.D.

Fetal Spine: MOMS = Management of MMC Study

Beverly G. Coleman, M.D., FACR

Ultrasound Evaluation of Gynecologic Causes of Pelvic Pain

Leslie M. Scoutt, M.D.

#### Session 5

Ultrasonography of the Endometrium and Saline Infusion Hysterography

Thomas C. Winter, III, M.D.

The Infant Spine Harriet Paltiel, M.D.

Applications of 3D Ultrasound in Gynecology Ulrike M. Hamper, M.D., MBA, FACR

# 2016 Patient Safety in Obstetrics Faculty

#### Alfred Abuhamad, M.D.

Professor and Chairman
Department of Obstetrics and Gynecology
Vice Dean for Clinical Affairs
Eastern Virginia Medical School
Norfolk, VA

#### Jennifer Bailit, M.D., MPH

Professor

Case Western Reserve School of Medicine Division of Maternal-Fetal Medicine Department of Obstetrics and Gynecology Metrohealth Medical Center Cleveland. OH

#### Diana J. Behling, DNP, R.N., MJ, CPPS

OB Right Program Manager Sentara Healthcare Norfolk, VA

#### Paul A. Gluck, M.D.

Past Chair of the Board National Patient Safety Foundation Boston, MA Clinical Associate Professor OB/GYN University of Miami Miller School of Medicine Miami, FL

#### Elliott K. Main, M.D.

Director, California Maternal Quality Care Collaborative Stanford University, School of Medicine Director of Maternal-Fetal Medicine Department of Obstetrics and Gynecology California Pacific Medical Center San Francisco, CA

## Donna Montalto, MPP

Executive Director American Congress of Obstetricians and Gynecologists Albany, NY

# 2016 Patient Safety in Obstetrics Program

#### **Session 1**

Reducing Maternal Mortality: Our Path to Success

Elliott K. Main, M.D.

Council on Patient Safety in Women's Healthcare

Alfred Abuhamad, M.D.

The Safe Motherhood Initiative Program in the State of New York

Donna Montalto, MMP

#### Session 2

Establishing A Culture of Safety: Essential Role of Physician Leadership Paul A. Gluck. M.D.

Using the Electronic Health Record to Identify Early Warning Signs

Diana Behline, DNP, CPPS

#### Session 3

Obstetric Hemorrhage as a Model for Labor and Delivery Safety

Flliat K. Main. M.D.

Placenta Accreta: Diagnostic Features and Management Plan *Alfred Abuhamad, M.D.* 

#### Session 4

Outpatient Quality Systems in Obstetrics *Jennifer Bailit, M.D., MPH* 

Patient Safety in the Office Setting *Paul A. Gluck, M.D.* 

#### Session 5

Overview of Patient Safety: Etiology of Errors and Strategies for Error Reduction

Paul A. Gluck, M.D.

Implementing a Patient Safety Initiative: Lessons Learned

Alfred Abuhamad, M.D.

Implementation of Obstetric Bundles

Donna Montalto, MMP

#### Session 6

Reducing Non-Medically Indicated Deliveries *Jennifer Bailit, M.D., MPH* 

Patient Safety in the Operating Room Setting Paul A. Gluck. M.D.

#### Session 7

Safely Reducing Primary Cesarean Births Elliott K. Main. M.D.

Responsible Use of Quality Measures *Jennifer Bailit, M.D., MPH* 

#### Session 8

Management of Hypertension in Obstetrics: New Strategies and National Guidelines Alfred Abuhamad, M.D.

Strategies for Safe Administration of Oxytocin

Diana Behling, DNP, CPPS

# **ACCESS LECTURES ANYTIME, FROM ANYWHERE!**

Educational Symposia now offers its CME Teaching Activities On-Demand. Purchase the entire series, or individual lectures, then view at your convenience via computer, tablet, TV - any device with internet access\*. Lectures can be viewed as often as you like for three years.

Create an account to receive one FREE hour of CME! We encourage you to sign-up and experience the docmedED.com difference.

- State-of-the-art streaming technology to access medical `
  education lectures presented by top educators and speakers
  in their specialty.
- Professionally produced and developed, easy-to-access fitting your busy needs.
- Currently over 1000 lectures, with more added every day!

# **Share With Your Colleagues**

#### **3 NEW OPTIONS NOW AVAILABLE**

**MULTIPLE CME SUBSCRIBERS:** CME Packs allow each participating physician to own his/her set of videos. Once the initial order for an entire set is placed, order as many CME Packs as needed at a significantly reduced price as a practical alternative to "waiting in line" to receive the next video. It really is that simple!

Each CME Pack contains:

• An entire set of videos available on:

DVD

**USB** 

**Streaming On-Demand** 

- One CME application and test
- Electronic Syllabus

To order CME Packs visit us online at edusymp.com or call toll free (800) 338-5901.

Video Cancellation Policy: Return within 15 days of receiving- No refunds after. \$125.00 processing fee for each series. Shipping non-refundable. Cancellations must be in writing. No CME credit on returned purchases. 2 + returns voids cancellation policy.

**On-Demand Cancellation Policy:** We offer a free trial period. Please use the evaluation period to ensure your online system meets the requirements necessary to view. If you are not satisfied, you may receive a refund if you have watched less than 20% of your purchase.
