58<sup>th</sup> Annual Meeting

## American Society of Head & Neck Radiology

September 4 – 8, 2024

Hilton San Diego Bayfront  
San Diego, CA

### About The ASHNR Annual Meeting

Dear Friends and those new to the ASHNR,

I am honored to invite you to join us for the 58<sup>th</sup> Annual Meeting of the American Society of Head and Neck Radiology to be held in San Diego, CA, September 4-8, 2024.

The theme for the 2024 Annual Meeting is "Learning, Engaging, Connecting". Our program committee is putting together an outstanding program that will be the premiere head and neck education and research forum for radiologists in academic and in private practice!

Our program will start with a special focus boot camp for those wanting an educational refresh of the H&N imaging basics and for those learning H&N as a trainee. We will have sessions showing how to put into practice the latest imaging technology advances and technique innovations in pediatric and adult H&N imaging. We will have more in-depth sessions, with the world's best H&N speakers sharing the latest knowledge advances, including AJCC9 staging, which is being written right now.

The invited faculty will be from institutions and practices covering the breadth of the USA, and with guest speakers from Australasia and Canada. We are delighted to welcome the European Society of Head and Neck Radiology [ESHNR] speakers as part of the ASHNR-ESHNR collaboration, with three not-to-be-missed shared sessions on Thyroid imaging, Education & NI-RADS.

As always, the program will feature radiologists sharing their research with oral and electronic presentations, and sharing their best teaching with educational exhibits, and we will all be tested by the much-loved case of the day posters. And no ASHNR meeting would be complete without a terrific "Get-to-Know-You" opening reception, a Saturday Gala and the Game Show to end all game shows.

It's going to be a terrific program and you really ought to be California Dreamin' and planning to join us in San Diego in 2024!

*CM Glastonbury*

Christine M. Glastonbury, MBBS  
ASHNR24 Program Chair / ASHNR President Elect  
Professor of Radiology & Biomedical Imaging and  
Vice Chair for Academic Affairs, University of California, San Francisco

Hilton San Diego Bayfront  
San Diego, CA
