About The Meeting

This seminar is designed to provide a practical review of current topics in gastrointestinal and hepatobiliary pathology. Dr. Eric Yee and Dr. Felicia Allard will discuss basic to advanced topics and provide pitfalls and pearls to gastrointestinal and hepatobiliary pathology diagnosis. Topics will range from inflammatory conditions to neoplasia with an emphasis on integrating clinically relevant issues and providing updates for the practicing surgical pathologist.

Target Audience

This CME activity is primarily intended and designed to educate pathologists.

Scientific Sponsor

Educational Symposia

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
