30th Annual

Magnetic Resonance Imaging 2013:

National Symposium

June 2 – 7, 2013

Encore at Wynn Las Vegas Las Vegas, Nevada

38.75 AMA PRA Category 1 Credit(s)™

INCLUDING 3
MAJOR SYMPOSIA

MRI OF THE HEAD & SPINE

June 2 - 5, 2013 • 19 AMA PRA Category 1 Credit(s)™

MUSCULOSKELETAL MRI

June 4 - 6, 2013 • 15 AMA PRA Category 1 Credit(s)™

MRI OF THE BODY & HEART

June 5 - 7, 2013 • 22.5 *AMA PRA Category 1 Credit(s)*™

About The Meeting

This symposium offers a practical teaching course for those who order, perform or interpret magnetic resonance imaging studies. The program is organized in such a way to allow registrants to attend all or just a portion of the meeting. Three focused segments provide a comprehensive yet practical review and update on the clinical applications of MRI. The meeting begins by focusing on the head and spine, moves into the musculoskeletal system and concludes with cardiovascular and body applications.

Target Audience

This CME activity is designed to educate diagnostic imaging physicians who supervise and interpret MRI/MRA studies. It should also be useful for referring physicians who order these studies so that they might gain a greater appreciation of the strengths and limitations of clinically relevant MRI exams. Technologists performing these types of imaging exams should also gain benefit from this symposium.

Educational Symposia

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 38.75 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call 1-800-338-5901 regarding the availability of Category A CE credit.

Educational Objectives

Attendees, at the completion of this course, should be able to:

- · Discuss the expanding role of MR imaging in the evaluation of neurological disorders
- Implement state of the art MR angiography protocols
- · Describe the principles of perfusion and diffusion imaging techniques
- Incorporate state of the art imaging protocols for assessment of the spine
- Utilize MRI to evaluate musculoskeletal and breast pathology
- · Optimize MR protocols and techniques for assessment of the body and heart

No special educational preparation is required for this CME activity.

Course Organization

This program is planned and organized by Educational Symposia, the leader in diagnostic imaging education since 1975.

Acknowledgement

Educational Symposia appreciates our corporate supporters and exhibitors. A list of industry supporters will be provided and acknowledged at the meeting.

Registration Information

Tuition includes all course materials, including a comprehensive course syllabus, daily continental breakfasts and coffee breaks. Early registration is strongly suggested. There will be a \$50 surcharge for anyone registering after May 22, 2013. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

Cancellations must be received in writing. A \$50 processing fee will be applied to all cancellations. Refunds requested in writing prior to May 3, 2013 will be issued for the amount of tuition paid less the \$50 processing fee. No refunds will be made on or after that date.
